

Saratoga Blue Streaks Baseball

The Saratoga Varsity Baseball team enjoyed a very successful 2024 season and is already preparing for the 2025 season. Head Coach Andy Cuthbertson is looking forward to getting back to work and leading his team back to the top of the Suburban Council and into the Sectional Tournament. Coach Cuthbertson and his team will kick things off in March in Orlando for their annual Spring Training trip!

Financial support for the Saratoga Baseball Program through the athletic department and the school budget has continued to decline. The Saratoga Baseball Booster Club has taken on the task of fundraising to close the budget gap. Through the support of our generous sponsors, the Booster Club has raised funds to pay for uniforms, professional development of our coaches and training and equipment for our players. As a non-profit organization, we are asking for your support once again.

As a sponsor for the Saratoga Baseball Program, your tax-deductible donation will allow you to reach new customers and help to promote our baseball program as well as provide assistance to our Varsity Players who travel to Florida for the spring training trip. As you are aware travel expenses continue to rise. Your sponsorship will help greatly to keep the price of this trip down for our players. We have several levels of sponsorships from which to choose. Each option is described on the attached sponsorship application form. If you have any questions or would like more information please email us at togabaseball7@gmail.com. With your assistance, the Saratoga Baseball program will continue to thrive! Thank you in advance for your support!
